

TERRA SWAG MULTI-PENDANT 9 PC.

Featuring our popular artisan blown Terra pendants, this versatile chandelier style enables customization of the placement and height of each pendant. A ribbon of molten crystal glass added during fabrication creates a magical dance of light and color when paired with clear or vintage bulbs. Choose from several glass colors and finishes.

Product Notes-PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit studio.hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".
