

BLOSSOM SWAG MULTI-PENDANT 9 PC.

Featuring our artisan blown Blossom crystal glass diffusers, this versatile chandelier style enables customization of the placement and height of each pendant. Each 'Blossom' is a one-of-a-kind creation reflecting the combined talents of Hammerton's metal and glass fabrication teams. Integrated LED illuminates each blown glass shade without the distraction of a filament bulb.

Product Notes-PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
