

NOVA SWAG MULTI-PENDANT 6 PC.

Featuring a softly undulant 10"W oval shade in artisan blown crystal glass that encloses an LED-illuminated cast crystal glass diffuser, this versatile chandelier style enables customization of the placement and height of each pendant. Choose from several glass colors and diffuser styles. For a more traditional look, order with an E26 base that takes one 40W bulb.

Inner Glass

Product Notes-PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.

General Notes:

- Visit studio.hammerton.com to read our complete warranty.
- All dimensions are in inches unless otherwise noted. Dimensions may vary up to 7/8".
