

FIORI SWAG MULTI-PENDANT 12 PC.

Lustrous white buds of artisan blown glass offer a playful reinterpretation of mid-century style in this versatile chandelier that enables customization of the placement and height of each pendant. Integrated LED illumination gives the glass a rich luster and opacity that's reminiscent of Italian art glass. Choose from several finishes.

Product Notes-PLEASE READ:

- All Hammerton Studio fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
